

University of Alberta Interdisciplinary Consulting Association

Minutes

Friday, March 8th, 2013.
7:10-8:30 pm, Scotia Place

In Attendance: **Albert, Caitlin, Eamonn, Ella, Kar-Wing, Keita (Chair), Mark, Peggy, Ranek,**
Regrets: **Adel, Aliya, Colin, Jason, Patrick**

1. Overview and History

2. Values Discussion

- Inclusive and multidisciplinary (open to all faculties, and to grads, from U of A or elsewhere, or professionals)
- Open and collaborative culture.
- Educational focus. Help students who have no idea about consulting discover its broadness.
- Consulting job offers should be an emergent result, not a core purpose.
- Prepare members for skills relevant to a wide variety of paths
- Differentiated both from Business Student Assn's and from other university consulting associations
- Continuous strategic evaluation of effectiveness through measurable metrics.

3. Case Example

- Thank you **Ella!**

4. Exec Positions

5. McKinsey Day

Dates were sent out in a Doodle Poll. Response required by March 11th at noon.
